

# Second Opinion Enterprise – Join Zoom Video Call with Phone Audio

## Choosing Zoom Audio Selection

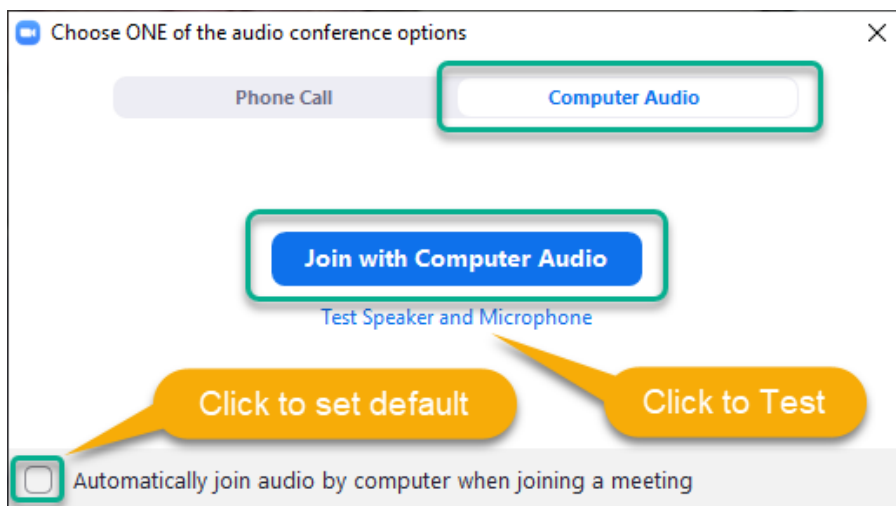

When joining a Zoom video call there are two Audio options available, Phone Call or Computer Audio. If your computer is equipped with a microphone and speakers you would choose Computer Audio but, if your computer does not have a microphone or speakers or if you would prefer to use your phone, choose Phone Call.

## Join Zoom Meeting Using Computer Audio

To join using the computer audio, **Click** the **Computer Audio** tab and **Click** **Join with Computer Audio**.

To make **Join with Computer Audio** your default selection, so it will not ask you again, **Click** the **Box Automatically join audio by computer when joining a meeting**.

To test your computer audio devices, Speakers and Microphone, **Click** **Test Speaker and Microphone**.

To change the **Audio Default Settings**, **Click** the caret next to the Audio Device and **Choose** **Audio Settings**.

### Join Zoom Meeting Using Phone Call

To join using a phone, **Click** the **Phone Call** tab and **Choose** the **County/Region** using the dropdown box. A list of dial-In phone numbers will be displayed for each **County/Region**.

Dial the appropriate phone number and when prompted, punch in the Zoom **Meeting ID**. Next it will ask you to punch in your **Participant ID**, this is optional.
